Greetings!
November is here and it is that time of year when everyone slows down just long enough to say "Thank You" before the hustle and bustle of life kicks back into gear. We thought it would be nice to start out our Newsletter with a BIG THANK YOU for your continued support of Vacaville Unified School District.

Last year, our district's PTO's, PTC's, and PTA's, along with community members, united and formed the S.O.S. Committee, in efforts to raise some funds for our schools. This was a grassroots effort to help become part of a solution, to this very overwhelming budget crisis. The S.O.S. Committee managed to create a social media blitz that was a huge success! We raised $45,571.75 and the funds have been disbursed. To find out more about the social media blitz and for more details about the funds go HERE.

Our goal this year, is to continue to build upon the communication and social media techniques used last year. We want the community to be aware of what is going on and how you can help. WE ARE STILL IN A CRISIS and we need to continue to Support Our Students this year.

We will be sending out these newsletters to keep everyone up on current information that needs to be shared.

Once again, we would like to THANK YOU for Supporting Our Students!

Sincerely,
VUSD

Be sure to share with your friends!
