Vacaville Early College High School Program at Solano Community College
An educational partnership between SCC and VUSD

Program Features:
• Initially located on the Solano Community College-Vacaville and Will C. Wood Campuses
• Within 4 years, program will be entirely located on the SCC-Vacaville campus
• A fully-accredited college preparation high school diploma
• The opportunity to earn a community college degree (AA) or up to 60 transferable college credits during four years of high school enrollment
• Free tuition and books at Solano Community College
• Preparation and support for success in college courses
• A rigorous, supportive learning environment
• A school community where student, parents and staff collaborate
• High academic expectations and standards
• A bridge between high school, community college, and university
